BARN<sup>INC</sup>  
*where quality matters*

## Tiny Home. Big Possibilities.

Are you planning to down-size to a small home? Or maybe you are tired of a big-city life and need a place to escape to the country for the weekend? At Countryside Barns we can help you turn your dream into a reality! You dream – We build!

At Countryside Barns, we believe that building structures of unmatched quality and providing the best customer service are the most important things we can do for you, our customer. We strive to achieve this by using top quality materials, caring craftsmanship, and personalized service. We also believe every building should be constructed as if we were building it for ourselves. This ensures that you, the customer, receive the best service possible.

## Finished Package

Do you need a tiny home, but don't want to mess with all the work? When we finish the interior of our cabins we make it easy on you! Your new cabin would come delivered right to your site ready to move in! Our finished package includes:

- Pine beadboard walls
- Rustic oak laminate flooring
- Plumbing
- Electrical
- Cabinets
- Closed cell spray foam
- Fiberglass insulation
- HVAC
- And More

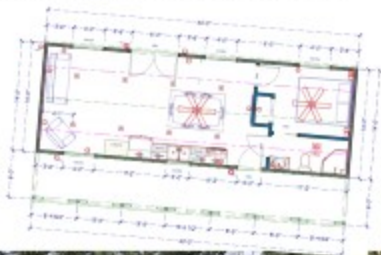

## Your cabin, your way.

We love to help our customers create a cabin that fits their personality and tastes. Whether it means a small 10x16 cabin with a rustic urethane, or a 14x40 side porch cabin painted a custom color, we are here to help you! Our staff will be happy to help you with the design process by creating a customized floor plan and a 3D model that will allow you to see what the finished product will look like!

There are many more options – bring your ideas with you!
