Speaking of luxurious, this brand goes all out.  
Combine the comfort of indoor furniture & the durability of outdoor furniture with our Serkles™ brand of seating. Very Comfortable!

## THE SERKLES DIFFERENCE:

Our Serkles Seating comes in Traditional (flat arm) and Classic (curved arm) styles.

We offer each style in the 3 following sizes: 2' Chair, 4' Loveseat, 6' Sofa.

Stationary or glider configurations are available for all sizes.

The 2' Chair also comes in a swivel glider. Seating frames are assembled using the same high quality tangent poly material & stainless steel fasteners that are featured in our CapellaVue brand.

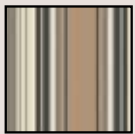

3/16" Aluminum angles are added for extra support in all swings and gliders.

Any of the 27 poly colors can be chosen for the frame.

Our fabric covers are specifically designed to prevent moisture from being trapped inside the cushion and to enhance the quality, comfort & longevity of the cushion pad in outdoor conditions.
